R.O.C. No. B.1328.38.

Station Madras, *Dated the* 10th January 19 39.

From (Name) P. H. RAMA REDDI ESQ., I.A.S.,
(Designation) Director of Agriculture, Madras.

To The Secretary to the Government of Madras,
Development Department.

Sir,

I have the honour to request that Government may be pleased to sanction the purchase of a single bullock rubber tyred cart for use at the Dry Farming Station, Hagari, at a cost not exceeding Rs.170/- (Rupees One hundred and Seventy only).

2. The rubber tyred cart will replace an old ordinary cart which was purchased in 1928 at a cost of Rs.100/- and which requires renewal. The cart is required for use by the staff working on the farm and other visitors to the research station mainly for passenger

traffic between the farm and the Railway Station. It is expected to serve for about 20 years. It is therefore more economical than ordinary country cart besides being more convenient. It is also possible to recover from cart hire the entire cost of the cart within a period of three years as the average annual receipts on this account amount to Rs.79/- as calculated from the receipts for the past three years, 1936-36 to 1937-38. Additional bullock is not necessary as it is always possible to spare a farm animal for this purpose since the distance between the Agricultural Research Station and the railway station is not more than two miles.

2. The expenditure will be debited to "40.Agriculture-C.Experimental farms - Agricultural Research Stations - Contingencies - Purchase of deadstock, cost of land, etc.

I have the honour to be,

S i r,

Your most obedient servant,

for DIRECTOR OF AGRICULTURE.
